

## Welcome Back to Fordingbridge Model Railway Exhibition

The Rotary Club of Fordingbridge would like to extend a warm welcome to all our visitors, traders and railway enthusiasts of all ages to our 2022 exhibition.

To huge disappointment our last show in 2020 had to be cancelled at the last moment, a victim of the Covid pandemic. As the virus is still lurking, please endeavour to socially distance as much as possible and use hand sanitiser at every opportunity. All government regulations in force on the day of the exhibition must be adhered to.

This year all profits from this event will be donated to **Water Survival Boxes**, a Rotary charity promoted by the Rotary Club of Midsomer Norton dedicated to providing emergency aid to third world countries affected by natural disasters. There will be a stall at the show to demonstrate how for example, foul water can be treated and made drinkable. Please give generously.

The Rotary Club of Fordingbridge was formed in 1984 and is made up of a small group of men and women committed to working for the benefit the community. We also support international and national good causes. Internationally Rotary Clubs the World over has sought to eradicate polio and this awful disease has been reduced from 300,000 deaths worldwide to just a handful of cases today. Locally we support our schools, the aged and groups of disadvantaged children. If you would like to know more, please contact us for a chat at [enquiries@fordingbridge-rotary.org.uk](mailto:enquiries@fordingbridge-rotary.org.uk)

## Providing water for life
